

# Press Release

## Date and new venue for 2019 Fleet Safety Annual Educational Conference

(MISSISSAUGA)—The Fleet Safety Council (FSC) is proud to announce a new location for this year's Annual Educational Conference.

After reviewing all of the feedback provided by our delegates and sponsors, the FSC Conference Committee has decided to move the location of the conference to the Millennium Gardens Banquet Centre, located at 20 Polonia Ave in Brampton. The new location will allow the conference to grow in the future, as it has been at capacity over the past few years. The conference will take place on October 4, 2019.

This one-day event (which is expected to sell out once again this year) will bring together fleet safety professionals from the truck, bus, courier, ready-mix, and waste management industries as well as insurance companies and other related businesses to discuss the latest industry trends.

The planning committee is currently working on this year's speakers and themes. Stay tuned and visit [www.fleetsafetycouncil.com](http://www.fleetsafetycouncil.com) for details. The committee is also seeking sponsors to ensure another fantastic event this year.

For more information on attending or sponsoring this event, please contact Rick Brown or George Iacono.

### **About the Fleet Safety Council**

The Fleet Safety Council is an association of driver trainers and safety professionals working to promote safety within the transportation, transport, bus, and coach industries. The council encourages the improvement of driver behavior through increased awareness and training.

Working with government agencies and private organizations, the council strives for a uniform system of safety requirements for drivers in Ontario.
